Graduation packets have been mailed to the home addresses we have on file. If you plan to graduate this spring and did not receive your packet, please see Carole (Jull 2123) immediately, or call her at 301-405-4685.

Graduation ceremonies will be held Monday, May 20, at noon in the Reckord Armory. An IAA breakfast graduation ceremony will be held at the UMD Golf Course.

A professional photographer will be taking each student's graduation pictures and these will be offered shortly after commencement.

If you have any questions or special needs, you should contact Carole.

Good luck on exams and enjoy your summer. Thanks for a great semester,
The IAA participated in the annual campus Arbor Day celebration on April 3. This year’s celebration, held northeast of Main Administration Building, featured the ceremonial tree planting.

IAA instructor Ken Ingram celebrated by giving away oak trees and eastern redbuds to attendees. All oaks and eastern redbuds were grown by INAG 224 students.

**Volunteers Needed for Shields Golf Tournament**

The Shields Memorial Golf Tournament is Friday, May 10 at the Twin Shields Golf Club. IAA students benefit directly from this event. Contact Dr. Mathias if you are able to volunteer Thursday afternoon or anytime on Friday. Volunteers will be able to play their own game of golf after the event. Contact Dr. Mathias via email at jkm@umd.edu or sign up in the “Get Involved Bulletin” board.

**Maryland Day was a hit!**

A big thank you to IAA students who participated in the day’s activities: Kelsie Bernie, Brian Knott and Jesse Dietsch.

Our IAA Maryland Day displays featured a Bess Bug gladiator competition, petting of Bess Bugs, a fearless plant display, and giving away oak tree varieties and eastern redbuds. Visitors were encouraged to pet the Bess Bugs, ask questions about the fearless plants and take more than one tree. Big thanks to Ken’s INAG 224 class for growing the trees for Maryland Day!

Tailgate Party

Thank you to Kelsie Bernie and Nicholas Harmer for their help during the FFA visit. Students learned about the IAA, becoming a Terp, and about our entire campus!

Spring Grades

Hard copies of your grades will not be mailed; however, you may request a grade report be mailed once all grades are received in the Registrar's Office. Go to Testudo [http://www.testudo.umd.edu/apps/grades/](http://www.testudo.umd.edu/apps/grades/) and request it.

On the web site the window of opportunity to make the request is defined for each term. After that window of time closes, you may check an unofficial transcript for your grades.

Thank you to Ken Ingram and the PGMS students for hosting the April Tailgate Party. The tailgate included delicious food, mingling and a game of volleyball. After the BBQ, attendees headed to UMD vs. Miami baseball game. We hope to see you at our next Tailgate in the Fall!
As we end the spring semester and prepare for finals week, the IAA faculty and staff will like to help you survive the brain drain of finals. On Wednesday, May 15 and Thursday, May 16 we will be providing snacks and brain food. Stop by the conference room and help yourself.
