Degree Major:

Add-On Certificate Major:

IAA Courses That Overlap With Degree Major:

Student may earn an add-on certificate from the IAA if they meet the following requirements. The student must meet the graduation requirements for the add-on certificate curriculum; earned a minimum of 15 additional, advisor-approved credit hours beyond the credits required for the completion of their degree major; has taken at least 12 credits of INAG-coded courses; and successfully completed an internship (INAG288/INAG289 or equivalent), which requires 320 hours of on-site work.

I plan to graduate: Fall _____ Spring _____ Summer _____
Students wishing to declare an add-on certificate must do so at least one semester in advance of graduation.

Approved Courses (Completed or Planned)	**Completed/Planned**	**Grade**	**Planned**
1 - INAG288/INAG 289 or equivalent			
2 -			
3 -			
4 -			
5 -			
6 -			

A signature from your degree major advisor is required to ensure that you informed your college, met with your major advisor, and can fit the IAA add-on certificate courses into your academic plan.
